

FAIRVIEW CITY COUNCIL ACCEPTING APPLICATIONS FOR COMMUNITY ADVISORY COMMITTEE

The Fairview City Council is accepting applications for residents to serve on a newly formed Community Advisory Committee (CAC). Members of this committee will oversee progress on the NE Halsey Corridor Economic Development Study – a multi-jurisdiction project that will seek to further economic development, enhance community readiness, and encourage appropriate reinvestment along NE Halsey Street from Fairview Parkway east to the Historic Columbia River Parkway in Troutdale.

The CAC will provide guidance and make decisions on milestones throughout the project. In addition to the CAC, a Technical Advisory Committee (TAC) will also be formed to provide technical advice on the project. Together, it is anticipated that the committees will meet 5 to 6 times throughout the year-long project. The estimated project start date is summer 2016.

All interested persons are encouraged to apply. Please submit a completed application to the City Recorder by 5:00 PM on June 8, 2015. Applications are available at City Hall or via the city website at <http://www.fairvieworegon.gov/committeeeapplication>.
